September 2026

September is chalking up to be a busy for us here at SDS. Please pay attention to our calander and upcoming events to stay up to date on everything going on. Our website has been renovated as well and all upcoming events will be posted there as well as on our facebook page. We currently have our "Get Flocked" Fundraiser happening. This event will take place as long as we are getting requests. Send our flock of flamingos to your friends and raise awareness for Individuals/Developmental Disabilities within our community! Direct Support Professional week is this month from the 13th - 19th. If you happen to see any of our staff that work directly with the individuals give them a big thank you for all their hard work.

Consumer Breakfasts and Lunches are back! Breakfast will be hosted on the 2nd and Lunch will be hosted on the 24th this month.

This month we say goodbye to our CIE Manager Shane Aguilera. He will be missed here at SDS but we will see him around in the community as he is still involved with the Chamber and has accepted a job with Lamar Parks and Rec. His SDS family wishes him all the best with his future endeavors!
